

JetSupport provides technical services and support for business aviation. We focus on flexibility, transparency and a personal touch. We continuously improve our operations to meet and exceed the needs of our customers. Our technical services are customized for the most popular business aviation aircraft types. Our customers' value maximum aircraft availability which we provide by conducting preventive and corrective maintenance. We also facilitate special projects, ranging from small modifications up to complete avionics retrofits. Our service center operates 7 days a week in two shifts. Our business, operations, as well as the team are constantly growing. We are therefore looking for new team members to join JetSupport, and at this moment actively looking for :

Purchaser Part -145

Full-time – Schiphol – Amsterdam

Description:

As Purchaser at JetSupport you are responsible for sourcing and purchasing of tools, parts and materials at best price and availability. You build a strong network of suppliers and maintain long-term working relations with them. You prepare and lead the negotiation process with regard to the purchasing, tendering and outsourcing. You monitor supply market on the regular basis and ensure best price-value supply management. You control and evaluate supplier performance, assuring stable and accurate supply. You co-ordinate shipping for incoming parts and materials, tooling and equipment. You are in charge of maintaining stock levels for the warehouse and place orders timely. You monitor and control delivery, solve problems and take actions in case of disruptions. In your work you closely cooperate with planning and finance team. As Purchaser you report to the Material Manager of JetSupport.

The Successful Applicant:

- Understanding of aviation procurement;
- Knowledge of sourcing and purchasing; knowledge of customs and shipping;
- Excellent communication, networking and teamworking skills;
- Quality, safety and customer focus;
- Ability to work in a versatile and dynamic environment;
- Attention to detail, accuracy;
- Verbal and written fluency in English and Dutch;
- Knowledge of MS Office-365;
- NEVI 1 certification or 3 years of relevant experience minimum;
- MBO minimum level 4;
- Driving license B;
- Declaration of conduct (Verklaring van geen bezwaar) is required.

This is our offer:

Upon joining JetSupport, you will work in a motivated team, eager to grow. At JetSupport, we value freedom and responsibility and empower employees to make the right decisions. We offer competitive salary and attractive compensation package.

If you are interested and meet the skillset above, please send your CV and motivation letter before 10 November 2021 to the following email: recruitment@jetsupport.nl with the "Purchaser" in the subject line.

Dear recruiters. Acquisition to this vacancy is not appreciated!
